The Safety Center's Mission

Shoreline Fire Department's mission includes community education programs that promote fire and life safety for families. Originally built in 1948, the newly renovated Station 62 now serves our community as a fire safety center.

The Safety Center is designed for Shoreline children ages 3 through 5. With stories, videos, and hands-on activities, children learn about critical fire and life safety situations while having fun!

The Shoreline Fire Department is dedicated to increasing the fire and life safety of our youngest community members.

Scheduling Visits

The Safety Center is open by appointment only.

All visits must be pre-arranged with our Community Education Officer.

Safety Center Hours:

Tuesday - Friday 9:00 AM to 4:00 PM

Please note that some dates and times may not be available due to other scheduling obligations. We suggest having alternative dates if your first choice is unavailable when making your appointment.

Before calling to schedule a visit, please make sure your group meets the following criteria:

- ◆ Group must qualify as a Shoreline day care, preschool, or play group
- ◆ Fee assessed for out of District groups
- ◆ Group size is limited to 15 children
- ◆ At least 3 adult chaperones must be present with the group at all times
- ◆ Safety Center visits last for about 45 minutes
- ◆ No food or drink is allowed in the Safety Center

Please make carpool arrangements.

Parking space is limited.

Safety Center Activities

Put on bunker-gear and fire helmets

Jump onto the fire engine

Slide down the fire pole

Plan fire escape routes

Practice 9-1-1 calls

Make arts and crafts

Read stories

Play games with your friends

We hope your child's visit to the Safety Center is a fun and memorable experience and one that motivates your family to plan for fire emergencies that could occur in your home.
