### REGULAR MEETING BOARD OF COMMISSIONERS

#### I. OPENING OF MEETING

The May 3, 2016, regular meeting of the Board of Commissioners of King County Fire Protection District No. 16 was held at District Headquarters located at 7220 NE 181<sup>st</sup> Street, Kenmore, King County, Washington. The Chair, Eric Adman called the meeting to order at 5:00 pm. Persons in attendance, in addition to the Chair, were Commissioners Carolyn Armanini and Dave Maehren. Also, present were Fire Chief Jim Torpin, Secretary Andrea McDaniel and Legal Counsel Kinnon Williams.

#### II. APPROVAL OF THE AGENDA

Commissioner Armanini moved to approve the agenda as presented. Commissioner Maehren seconded the motion and it passed with a vote of 3 to 0.

#### III. PUBLIC COMMENT

Lake Forest Park citizen Mike Dee indicated he emailed several questions to the Chief, which were;

- What is the status of next generation 911 reporting?
- Is there a method in which medical history can be made available for the EMTs and Paramedics in advance or have on hand upon their arrival?
- Is there a doctor ever available to ride on aid cars in King County?
- Is there any additional information on the suspicious fire last week?
- What is the definition of the call type we call "False?"

Chief Torpin provided response for all the questions and requested to add a discussion item to the agenda regarding the next generation 911 reporting. The request was unanimously approved and moved to item 4.3 on the agenda.

#### IV. INFORMATION/DISCUSSION ITEMS

4.1 2016 First Quarter

Chief Torpin indicated that the 2016 First Quarter report was sent out electronically and provided a brief overview of the report. Chief Torpin inquired if there were any questions on the report and there were none.

4.2 Commissioner Report

Commissioner Maehren reported that Ron Gehrke would be presenting the history of the water district at the Kenmore Heritage Society meeting tomorrow at 7pm at the Kenmore Community Club.

Commissioner Maehren reported about an incident involving a Kenmore citizen where they did not call 911 for assistance. A discussion ensued regarding how to educate the senior population on when to call 911.

4.3 Next Generation 911

Chief Torpin provided an overview of the process currently being undertaken in King County with regard to implementation of what is referred as "Next Gen 911." Chief Torpin stated King County adopted an ordinance that created a collaborative committee to review and plan for a successful implementation of this new technology.

**V. ACTION ITEMS**

None

**VI. FIRE CHIEF'S REPORT**

The Fire Chief's report was submitted to the Board electronically. Chief Torpin inquired if there were any questions on the written report and there were no questions.

**Administration/Financial:**

- The Strategic Planning Workshop was held on May 11<sup>th</sup> and 12<sup>th</sup>. The workshop was facilitated by Don Bivins and was attended by 2 Commissioners, 4 Administrative Staff and 6 Suppression Staff. The draft plan should be returned to the District within two weeks for review and assignment of key task groups. I was very pleased with the openness of the conversations and the contributions made by all.

**Human Resources:**

- HR Administrator Moore attended the Association of Washington Cities (AWC) annual Labor Relations conference.
- The open Finance Specialist position was posted to various sites. The posting will remain open until filled. Sites recruiting from include the following:
  - ✓ Craigslist
  - ✓ Colors NW Careers (this site also posts out to other sites such as Indeed.com and Simply Hired)
  - ✓ College employee job sites: UW, CWU, EWU, Gonzaga University, and WWU.
  - ✓ Everett Community College
  - ✓ AWC job net
  - ✓ The WA Fire Chief Admin Group website
  - ✓ WorkSource
  - ✓ LinkedIn
  - ✓ Northshore Fire Department's Facebook page
  - ✓ Governmentjobs.com

**Training:**

- Captain Harvey researched a new vertical ventilation prop to take the place of the OSB sheets currently being used. This prop is durable, and uses ¼ of the OSB per use resulting in much easier clean-up and less waste material. The prop also more accurately simulates an actual roof with roofing material installed requiring good technique and training to properly perform ventilation. The training division will be seeking budget approval for a 2017 purchase.
- The Training Division received data on several cardiac arrest and major trauma incidents from MSO Pompeo that the crews responded. This quality control feedback was forwarded on to the crews involved.
- Captain Harvey made arrangements for Jeff Smith to speak during Fire and EMS safety week.
- Captain Harvey compiled information needed to complete a Post Incident Analysis (PIA) for incident #16-1113. This was a structure fire in an abandoned single family residence on NE 182<sup>nd</sup> Ave fought by C-shift.
- Captain Harvey attended the monthly KCFTOA meeting in Bothell.
- AA Anne Jimenez attended training for the FireTrex training data base at Bothell Fire Station 42 on Thursday, May 12<sup>th</sup> for approximately 3 hours.

- DC Magnuson facilitated initial HIPAA training for nine most recently hired employees.
- Captain Harvey attended weekly EMTG meetings. AA Anne Jimenez also accompanied him to the May 4<sup>th</sup> meeting.
- Captain Harvey has assisted at several MCO sessions in Redmond and will continue to assist as he is able.
- The ICS worksheet lesson developed by BC Sauer was uploaded to the EMTG share point site and distributed to partner agencies for consumption.

### **Operations:**

- LT Rob McAuliffe was cleared for return to duty by District's Physician. Captain Harvey coordinated with DC Magnuson and prepared a return to work plan for LT McAuliffe. LT McAuliffe is scheduled to return to duty on days to make up missed training starting Monday 5/16.
- DC Magnuson attended a lunch meeting with Chief Torpin and Woodinville Fire Chief Ahern and DC Davis to discuss areas of operations, administration, and fire prevention that we could partner to achieve a mutually beneficial relationship.
- DC Magnuson attended monthly Zone 1 Operations meeting with other Deputy Chiefs and NORCOM representatives.
- DC Magnuson continues to provide compliance feedback to crews for King County EMS protocols when responding to CVA (Stroke) incidents. This is a regular and ongoing process to improve quality of care and meet King County Emergency Medical Services goals.
- DC Magnuson coordinated programming for new radio template of inter-operability channels. Phase one (programming of portable radios) of three completed Friday 5/13. Phase two (programming of mobile and station radios) scheduled for Tuesday 5/17 or Wednesday 5/18. Phase three (final phase – programming last four portable radios) will be scheduled when neighboring agencies have completed their programming.
- DC Magnuson provided King County EMS data completeness reports to shift members with report anomalies for correction.
- DC Magnuson facilitated a future change to Zoll FireRMS data reports to better reflect EMT response to CPR events. The issue was brought to attention during the EMS data completeness feedback and highlighted by FF Bjorn Hodneland.

### **Fire Prevention:**

- FI Booth attended the Region 4 Fire Investigators Conference. She participated in a class that studied fires initiated by a variety of electrical causes.
- FM LaFlam prepared an adoption ordinance for the 2015 edition of the International Fire Code. The draft ordinance was delivered to the City of Kenmore. Lake Forest Park is planning to go through the code adoption process in September.
- FI Booth together with Carl Lunak presented an Emergency Preparedness workshop to a group of community residents.
