9-1-1 Outage Information from King County

King County Contact: [Cameron Satterfield](#)

The widespread 9-1-1 outage caused by a malfunction at CenturyLink continues to affect King County. 9-1-1 call centers are having difficulty receiving phone calls, both from landlines and cell phones. At this time, there is no estimate on when full 9-1-1 service will be restored in our region.

Anyone having an emergency in Lake Forest or Kenmore should call the ten-digit number for their local emergency responders. Cell phone users in King County can also use Text-to-911. As a reminder, do **not** call or text unless you are experiencing an emergency.

Below is a list of alternate numbers for emergency responders:

EMS/FIRE—Kenmore & Lake Forest Park:	425-577-5656
POLICE—Kenmore:	206-296-3311
POLICE—Lake Forest Park:	425-486-1254
Washington State Patrol:	425-401-7788
