

Day of

# CAREER FAIR

## Information for Employers

### Thank You!

We are grateful for your participation in the Shoreline Community College's Career Fair! We hope you find this a meaningful experience. This year we welcome around 50 employers spanning a variety of industries and employment types. In addition to connections to our students, **our Fair is open to the community.** To help you prepare for some of your conversations here is some additional information about SCC. Please provide us with any suggestions you have for how to improve this moving forward.

### Introduction to our Students

Shoreline offers many two-year transfer degrees, professional/technical, and certificate programs in areas such as:

Business & Management

College Readiness & ESL

Health Occupations

Industrial Technology

Languages & Communication

Visual & Performing Arts

Science, Technology, Engineering, & Math

Social Services & Public Service

**Wi-Fi Password:**  
**#ShorelineWiFi**

### What to Expect:

#### Facilities:

Access to outlets is limited and unavailable if not already specifically requested, so please plan accordingly.

Gender neutral bathrooms are located right across the hall, with gendered bathrooms on the first and third floors.

Water fountains are past the main floor restrooms, to the right.

Coffee will be provided by Black Coffee Northwest, and there will also be light snacks. Food trucks will be present and available for purchase. [Food Truck Information](#)

#### Handshake:

This is where we refer our student to begin their job search. If you are unfamiliar with the app or run into problems while using it, please go to the front desk at the entrance of the main dining hall.

#### International Students:

Students studying here on visas often have questions about their eligibility to work with different employers. If they have visa-related questions that you are unsure of, we have staff they can ask at the International Education booth.

They may mention **OPT** (Optional Practice Training) or **CPT** (Curricular Practical Training) - this is a feature of their visa that allows them to stay up to a year after graduation if they find employment that is within their field of study.

#### LinkedIn:

We encourage our students to use LinkedIn often. Some students may ask to connect with you or your business when they meet with you.

#### Job Applicants:

Our students have been urged to bring their resumes and dress professionally. Expect them to ask about what open positions you have and what you are looking for in an applicant – they may refer to tips we have provided them.

To help job seekers focus conversations with employers offering the types or roles they are looking for, we have created these categories. We expect many employers to have roles that overlap with multiple programs of study, so we have left that category off.

**Please place all applicable stickers on your employer table tent name tag:**

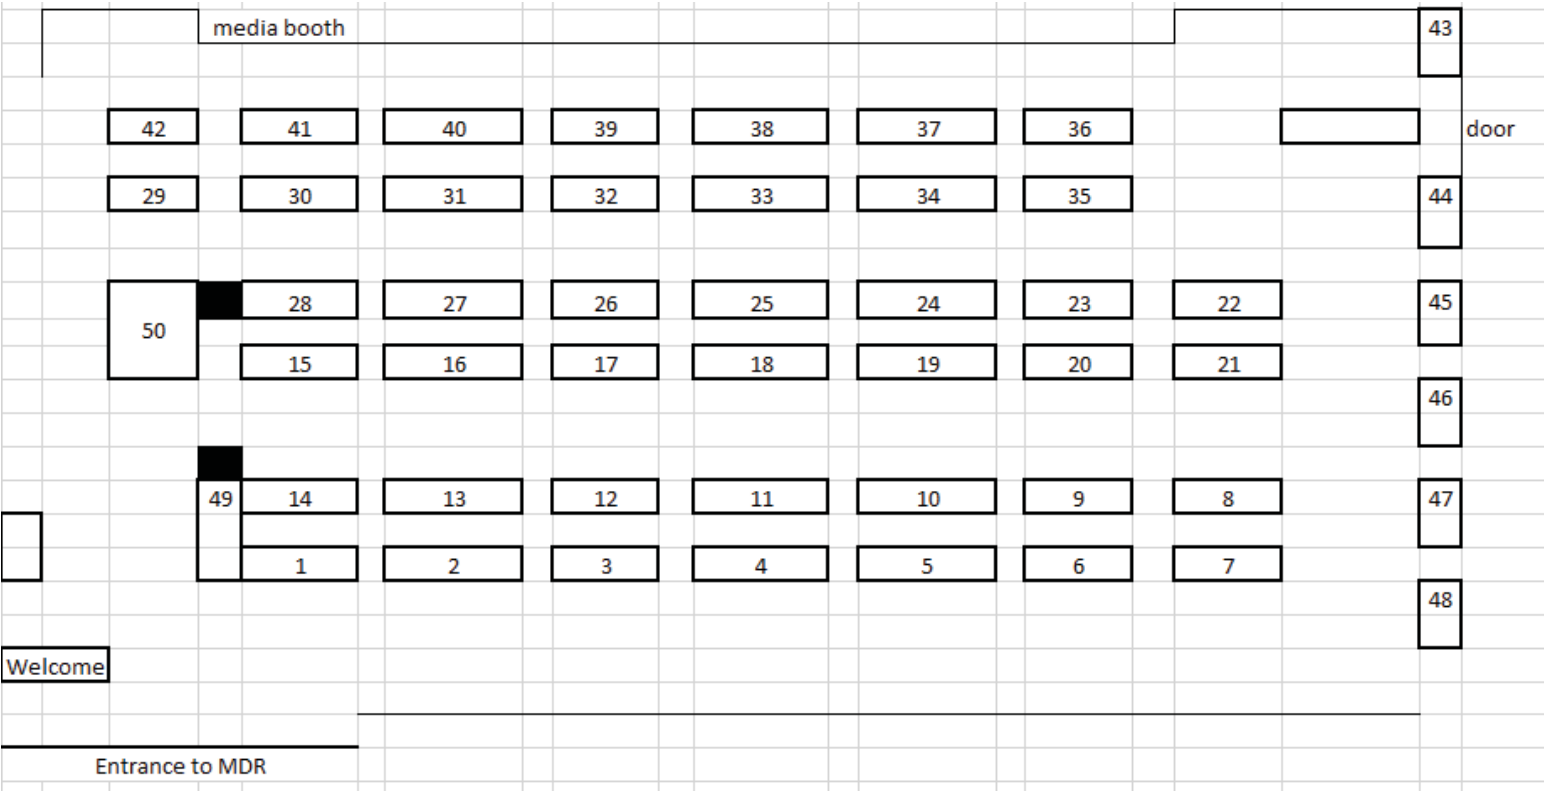

**Blue:** Full-time employment opportunities

**Red:** Part-time employment opportunities

**Green:** On-campus opportunities

**Yellow:** Resource (not here primarily for a hiring purpose)

**This map is subject to change, but to give you a sense of the layout:**

**EMPLOYER LIST**

Location details to be confirmed at check in.

Please let us know if you have any specific location requests.
